Select a Photo to upload:

[Browse...](#)

**** Please note the following points before uploading a file.**

- 1: **Only JPG images can be used** - Please do not upload other file types
- 2: If the width or height of your photo is bigger than 90% of your monitor then you may need to scroll left, right, up or down
- 3: If the size of your photo is more than 1MB please make sure you have a fast internet connection or be patient....
- 4: Once your photo is uploaded you will have a chance to "crop and resize" the section of the photo you want displayed on your Photo ID Card
- 5: Please be careful as these photos will be used on Player ID cards and you are responsible for getting this right...
- 6: These Photos will not be put on the public website, they are for the purpose of Player ID cards only

[Click to Upload](#)

You can either select a player that doesn't have a photo and upload one, or select a player that does already have an existing photo if needing to update the photo. Follow the instructions as displayed and then click to upload.

Go through all the drop down boxes filling in appropriate information. The injury location is interactive, so once you click on the relevant injured spot, the information will automatically be entered for you in the "Injury Location". "Add New Injury Report" once finished. Please remember that this is not an insurance claim, there are separate forms for that on the QCSA website.
