COVID-19 QCSA State Titles Update

We wish to acknowledge the statements made by the Prime Minister regarding COVID-19 where the Federal Government advises against all non-essential gatherings of more than 500 people. As a result, the QCSA Executive have made the decision to postpone this year's State Titles. The decision to reschedule the State Titles will be reviewed as the situation becomes clearer.

Whilst this decision may be disappointing for some, we will continue to place the highest priority on the health and well-being of all players and the QCSA community

At this stage club training and season fixtures will continue as planned, however we continue to monitor government advice and will provide updates as the situation develops. We encourage all players to take the appropriate precautions and heed any advice from the Chief Medical Officer.
